## WAMGLTA Winners Wow Judges!

The ***West Australian Modern Greek Language Teachers' Association Inc. (WAMGLTA)*** is proud to announce this year's participants and prize winners in its annual ***Speak Greek in June Competition***.

Offered for the second consecutive year, the competition invites students from Pre-primary to Year 12, who are studying the Modern Greek language in a formal capacity; that is, at a recognised educational provider, to speak for up to 3 minutes on any of the 9 listed topics on offer or on a topic of their choice, as approved by their teacher.

The aim of the competition is to promote the speaking of Modern Greek, which is often the most challenging part of learning a language, in a fun, non-threatening, and/or creative way.

The entries are video-recorded and are submitted for judging, based on three criteria:

- (a) Fluency in speaking Greek.
- (b) Clear communication of meaning.
- (c) Audience engagement.

The judges' decision is final and video-recordings are returned to the school after the competition has ended.

In 2020, WAMGLTA refined the competition to include an extra category to the previous year – ‘Mixed Background and Non-background Speakers’: Pair, or Group. This was done to allow students who wanted to work with a peer or within their friendship group to be able to do so, without having to fit into either the ‘Background Speakers’ or ‘Non-background Speakers’ categories.

WAMGLTA also announced that primary school participants would be judged separately to secondary school participants, allowing for differences in presentation approaches and giving more students the opportunity to win prizes in their respective sub-school and category.

This year, there was a total of 14 participants across two schools (listed alphabetically);

- Immaculate Heart College – 2 participants
- St. Andrew's Grammar – 12 participants

The students received a Certificate of Participation and a Dymocks book voucher to the value of \$30 each (Winning Entry) or \$15 each (Prize for Effort).

The results of the competition are listed below:

WAMGLTA is proud to make special mention of its new sponsor for this competition; **Dr Con Berbatis and family**. The sponsorship offered is valued by WAMGLTA, not only for financial reasons but even more so for the moral support of the Berbatis Family for the work that the Association is doing to support and promote the teaching and learning of Modern Greek in WA.

Congratulations are extended, once more, to all the students who participated in this year's competition; to their Greek language teachers, their schools, and their families! WAMGLTA encourages all students studying the Greek language to participate in the annual **WAMGLTA Speak Greek in June Competition**, which has been designed and refined to support the work that teachers do in the classroom.
